

Claiming free treatment?

If you claim free NHS dental treatment that you're not entitled to, you could be facing a **penalty charge of up to £100** - as well as the original treatment charge.

Not all benefits entitle you to free treatment. If you're not sure whether you qualify, please pay for your treatment – you may be able to claim a refund. Even if you don't currently qualify, help could be available.

If you're certain that you qualify for free treatment, please **show proof of your entitlement** to the practice staff before signing the patient declaration.

Please see the 'Claiming free treatment?' factsheet for more information or **visit www.nhsbsa.nhs.uk/healthcosts**
